#### S-BOX 50

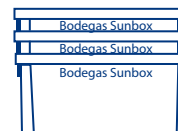

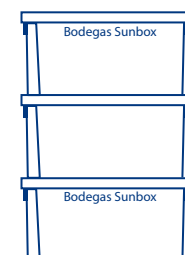

Closed or grating · Dim. 600 x 400 x 300mm · 50L · for +/- 25Kg of grapes

### OTHER MODELS: Ref. AC

Grating · stackable

### POSITIONS

With the printing on one side of the box, the distinction between the stacking position and the boxing position is very simple.

- In stacking, printing is alternated.
- In the embedded, the impressions are all on the same side.
