

QUALITY POLICY

The **SUNBOX** group, consisting of **SUNBOX DISTRIBUTION, SL.** And **STARBOX SPECIAL PACKAGING, SL.** And known by their brands **SUNBOX** and **TINYTUBES**, primarily provide quality containers for the chemical, pharmaceutical, cosmetic and food industries as well as others.

The Company was founded in 2003 and is located in 3000m² building in the town of La Garriga (Barcelona).

The management of **SUNBOX**, in keeping with our Customer service mission, and adapting to the new market trends, would like to promote the implementation and maintenance of a Quality Management System, which will become a key factor in the success and consolidation of the Organization, which will enable the identification and fulfillment of the requirements of the customers and all interested parties.

Therefore, the management together with all the employees and collaborators of the organization commit to:

- ❖ Fulfilling the legal requirements and the laws applicable to the products and services, including the specific requirements of the customers.
- ❖ Promoting the continuous improvement of the Quality Management System, analysing the results of the analysis and the evaluation of the performance of the process.
- ❖ Identifying and determining the risks and opportunities to the internal and external contexts relating to the Organization and take pertinent actions to deal with them.
- ❖ Promoting the training and raising awareness of the Organization at the disposal of employees, taking into account their necessities and promoting their awareness of and involvement in the Quality System.

This Quality Policy is at the disposal of the personnel of the Organization for their awareness and Applications as well as pertinent interested parties.
